

THE LEGO SPIKE VAULT CHALLENGE

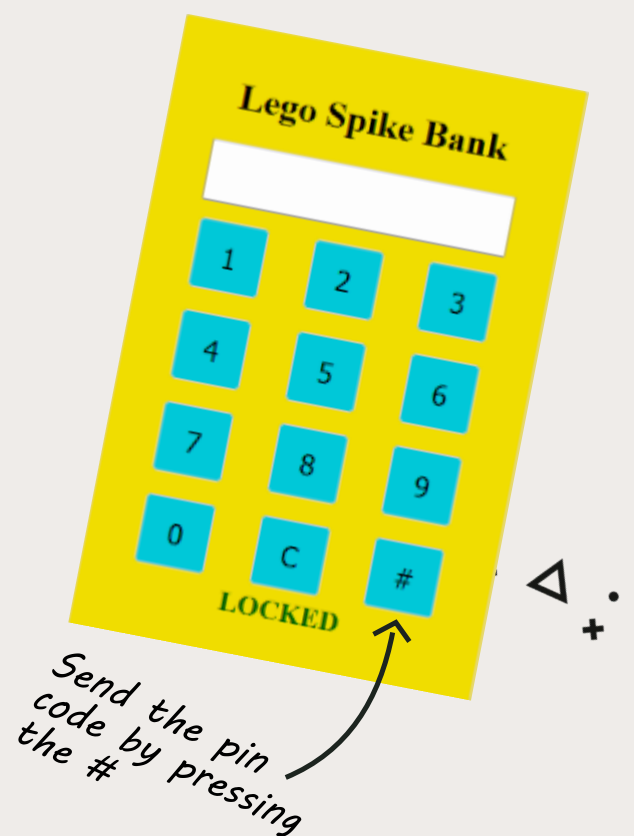

Use a browser, e.g.,  Firefox or  chrome , to access the dashboard to the Lego Spike Vault.

Type in the correct four digit pin code to open the door.

When you type in the correct pin code, the door will unlock.

Why not write a Python script that uses the Requests library to POST the four-digit pin to the URL:

<http://<IP-address>:<port>/process>
